LAUNCESTON

## SILVERDOME, COVID 19 FACILITY FACT SHEET

### Bookings:

- All booking requests are to be made via email and are to provide, date, time, type of usage, key person in charge and their contact details.
- All sports bookings are required to supply a copy of their governing bodies approved COVID-19 Return to Play Plan and associated documents.

### Facility Entry and Usage

- A maximum of 250 people can access the facility at any one time.
- Everyone entering is encouraged to sanitise at the sanitisation station prior to entry.
- Change rooms will remain locked. 'Get in, train and get out' practices will be required from all users. Toilets will be available and will be subject to Social distancing and the 2sqm per person rule. Each facility will note the number of people allowed upon entry.
- Minimal seating will be placed out at a distance of 1.5m apart. 1 x portable grandstand will be available.
- Facility users will be responsible for sanitising score benches and team benches between games. Product will be supplied by the venue for use.

### Covid 19 Preventative Measures in place:

- The implementation of Covid 19 social distancing signage around the facility.
- Entry and exit paths identified at the front entrance.
- Staff will maintain cleaning of the amenities and high touch points during bookings.
- A cleaning schedule noting all facilities will be placed in the front corridor advising the last time each space was cleaned.
- Portable Hand sanitiser stations will be located throughout the facility.
- All touch items including vending machines will not be available for use.
- Silverdome staff will maintain a count of the numbers in the facility for compliance.
